

## Book Review Project - Term 2, 2021

Be a TV or radio reporter, and give a report "live." The book you have read has just become a best seller and you must explain why the story, characters and the conflicts are important for the viewer to buy the book and read it. In class we will discuss this work and we'll brainstorm how to

do it. At home, you'll need to prepare this work, obtain your props and practice it. The list below is for your planning. This is an oral book review only. No written work needs to be submitted. You are expected to use palm cards.
