
Uniform Policy

Purpose of the policy

It has been found that the wearing of school uniform brings with it many benefits such as the promotion of the school's public image; an enhanced school spirit; a reduction in rivalry between students; an increase in convenience and cost-saving for parents; and preparation for work environments which have dress and safety codes.

At the Caboolture Montessori School, a Uniform Policy has been established after much consultation with all stakeholders and is fully supported by the P&F. The policy has been formulated to meet the needs of students, their families and the school.

There are certain expectations made of students in regard to the school uniform. It should be clean and in good repair, worn completely and correctly. This helps the school to set and maintain high standards and engenders pride in appearance.
